12 April 2018

A warm and hearty welcome back to school for term 2. I praise the Lord for bringing all our learners safely back to school, it is so good to see them all again.

Our prayer for you this term is that God will prosper you in all areas of your life...that your relationships with others will be positive and bring out the best in you; that your finances will be multiplied, and that God will give you great wisdom in the management of your finances. That you will prosper physically and be healthy and strong. Finally, that you will grow in your relationship with our almighty God and Father, that you will draw close to him. His word promises that if you draw close to Him, He will draw close to you ...so take that step and experience the unconditional love of your father and your creator
