16 January 2019

A new year begins – a new start, the old can be set aside and we can explode into this year with excitement and zeal.

My prayer is that each one who reads this will desire to develop a deeper relationship with God, that they will delight in the Lord and be prepared to live their lives as an example of His love.

I pray that we will develop great relationships with parents so that we can all work together to do our best for every learner in the school.

I am excited about 2019!
